Lu -

What a triumph.

What a pleasure too.

You took us to the
Land of Loughaigue.

Many thanks

Dear Lu,

Thank you so
much for feeding
everyone so brilliantly!
The canapes, the dinner
and the service were all
amazing. Everyone loved
the dinner, it was so
delicious. I really cannot
thank you enough!

The Irish Times

"No project is too daunting. She created a replica of the Italian feast served in the film 'Big Night' for a party of 40, and designed a 'Cheese Tier' - a spectacular creation featuring rounds of stilton, camembert, durrus and chèvres cheeses of decreasing size, arranged on tiers just like a wedding cake - for a bride who just didn't fancy fruitcake!"
